

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GLENDORA, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, DECLARING THAT THE CITY RECREATION PROGRAM WILL NOT INCLUDE THE INSTALLATION OF LIGHTS FOR TENNIS COURTS OR FOOTBALL FIELDS AT THE GODDARD JUNIOR HIGH SCHOOL.

WHEREAS, the City of Glendora and the Glendora Unified School District have heretofore cooperated in a community recreation program involving the commitment of property and money of both political entities, and

WHEREAS, among other things, the City of Glendora and the Glendora Unified School District have cooperated for the installation of improvements and facilities at the Goddard Junior High School and which improvements and facilities include baseball diamonds and floodlights, and

WHEREAS, it is the intention of the City of Glendora and the Glendora Unified School District that a part of the community recreation program, under the supervision of the City of Glendora, will be conducted at the Goddard Junior High School in the form of baseball and softball games to be played at night and with the use of the aforementioned floodlights, and

WHEREAS, it is the intention of the City of Glendora that the community recreation program shall be conducted with a minimum of inconvenience and discomfort to any citizen of the City of Glendora, and

WHEREAS, some citizens of the City of Glendora have expressed concern that the conduct of a part of the community recreation program at nighttime and with the benefit of lights might be expanded to such a degree and abuse that it will materially interfere with the comfort and convenience and privacy of the rights of private citizens and particularly of the rights and interest of those citizens who are in the vicinity of the Goddard Junior High School, and

WHEREAS, the citizens and residents of the City of Glendora in the vicinity of the Goddard Junior High School have expressed a specific concern that the part of the community recreation program to be conducted in the evening and under the floodlights at the Goddard Junior High School might conceivably be expanded so as to include the floodlighting of tennis courts and of the football field and the conduct of programs in these particular facilities and in greater proximity to the homes and residences surrounding the Goddard Junior High School.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Glendora, as follows:

Section 1. That the City of Glendora shall not endorse, urge or participate in a community recreation program with the Glendora Unified School District which would include the installation of floodlights at the tennis courts and the football field at the Goddard Junior High School and the conduct of community recreation programs requiring the benefit of any lighting

system that might be installed by the Glendora Unified School District at the mentioned tennis court and football field until and after all of the other Junior High Schools and High Schools have been utilized for lighted evening community recreation programs.

Section 2. All programs and activities to be conducted as a part of the community recreation program by the City of Glendora at the Goddard Junior High School and with the benefit of the floodlights which are now or hereafter installed at that facility, shall be conducted from May 15 to August 1, of each year.

Section 3. That the Mayor shall sign this Resolution and that the City Clerk shall attest and certify to the passage and the adoption of this Resolution and thereupon the same shall take effect and be in force in accordance with its terms and provisions.

APPROVED AND ADOPTED this 20th day of July, 1965.

ATTEST:

Leonard Roscoe  
Deputy City Clerk

John M. Galt  
Mayor of the City of Glendora

APPROVED AS TO FORM:

Charles D. [Signature]  
City Attorney
